SUMMER READING PROGRAM 2021

The Shelbyville - Bedford County Public Library was proud to be able to present an “in-person” Summer Reading Program this year! When planning the Summer Reading Program for 2021, the Youth Services Team wasn’t sure how things would go after all of the ups & downs of 2020. However, they did an amazing job with planning and executing a fun-filled summer for all of the children, teens, & parents who came out and got involved!

SBCPL registered 92 Summer Reading participants, had 385 in attendance to in-person events and 125 in attendance to virtual events. This is a total of over 500 in attendance all together! The Library would like to thank all of the children, teens, parents, grandparents, and anyone else who attended these programs! This year’s Summer Reading Program would not have been a success without your participation. The Library would also like to thank you for cooperating with the CDC guidelines put in place at all events to help keep everyone in attendance safe and healthy!

Special Thanks to the SRP Donors
Without you the 2021 Summer Reading Program would not have been such a success!

Friends of the Library Council Report

Hello Friends,

As the warm, sunny days of summer end and signs of fall are all around our community, the Friends of the Library plan their Annual Author's Luncheon. The Luncheon will take place at the Blue Ribbon Circle on October 12. Our featured speaker for this year at our Annual Author's Luncheon will be June Hall McCash. McCash is the recipient of more than eight literary awards for fiction, poetry, and non-fiction. She has won Georgia's Author of the Year Award for best novel in 2011 and 2013. She is the author of fourteen books. In addition to her books, she has appeared in four documentaries as well as on ABC's "Good Morning America". McCash spent her academic career at Middle Tennessee State University where she received awards for teaching, research, and career achievements. McCash continues to write and publish books adding to her list just this past year. We look forward to June Hall McCash sharing her captivating and enlightening experiences as an author.

The Friends of the Library would like to thank our community for your support. Our goal is to help the library in any way we can to serve our community. We assist with book sales, candy for Trunk or Treat, and equipment the library may need. You can support Shelbyville-Bedford County Public Library by joining the Friends of the Library. Simply let one of the Friends know or ask about the Friends the next time you are in the library.

We look forward to seeing you at the Annual Author's Luncheon in October!

ABOUT US

The Shelbyville-Bedford County Public Library serves residents in Bedford County, Tennessee. Established in 1948 by the Veteran of Foreign Wars Ladies Auxiliary, what was known as the Bedford County Memorial Library was once housed in the unused passenger waiting room of the SC&StL Railway depot. Although The American Legion Auxiliary worked to initiate a library in the 1930s, records indicate it was burned in the courthouse fire of 1934. In 1964, when the General Services Administration provided use of the former post office as a public library, the remodeled building was named in honor of dedicated supporter of The American Legion Auxiliary's original efforts to form a library, Argie Cooper. In 2014, what is now the Shelbyville-Bedford County Public Library broke ground for it's own home where it currently stands.

Today, the Shelbyville-Bedford County Public Library has become a valuable resource for residents offering a vast digital collection including audio books, e-books, DVDs, magazines, movies, and TV shows in a variety of formats. The library circulates thousands of items a year and has librarians skilled in local resources and all aspects of reading for pleasure and research. Free to the public are multiple computers and Wi-Fi available. The Children's and Teen departments feature weekly activities for all ages. The library offers local history archives, an extensive historical newspaper collection, and information helpful in researching genealogy.
