SUMMER READING PROGRAM 2022

The Shelbyville - Bedford County Public Library was proud to present our 2022 Summer Reading Program this year! The Library again partnered with The Fly and held larger programs in their building, and we were able to host children from the Boys and Girls Club, the SACP, and the Summer Program at East Side Elementary. There was a small bump in the road as the library had to close the last week of the program, and the Library appreciates everyone's understanding as we had to cancel some events of that week, reschedule the finale to be a finale/back to school event, and extend deadlines for summer reading game boards.

SBCPL registered almost 350 Summer Reading participants and had 2301 children, teens, and adults in attendance to in-person events over the weeks of Summer Reading. The 73 programs included performers, authors, crafts, STEAM activities, and Bookmobile. The Library would like to thank all of the children, teens, parents, grandparents, and anyone else who attended these programs! This year's Summer Reading Program would not have been a success without your participation.

Special Thanks to the SRP Donors & Performers

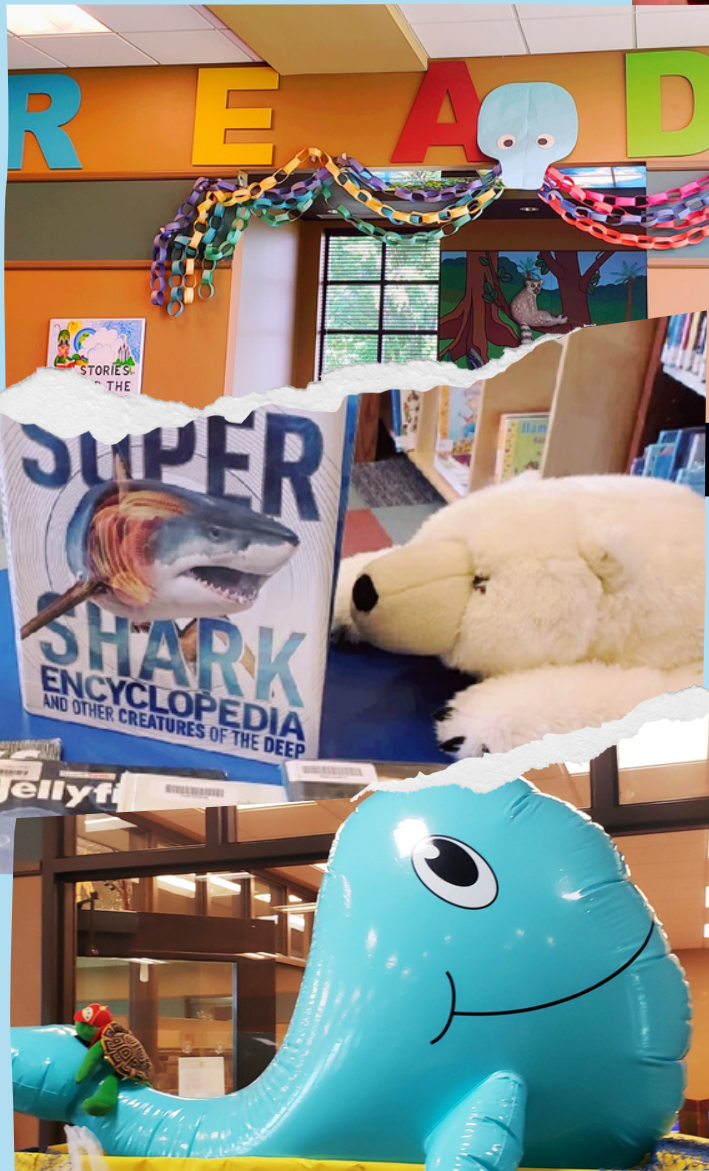

Without you the 2022 Summer Reading Program would not have been such a success!

THIS PROGRAM IS FUNDED BY THE
SENIORTRUST DIGITAL LITERACY GRANT

TEENS 'N' SENIORS

The Shelbyville—Bedford County Public Library has received the SeniorTrust Digital Literacy Grant with which we want to start the Teens 'N' Seniors Program. This Grant is designed to help people over the age of 60 with new technology and learning how to use devices to communicate and stay connected.

With this grant SBCPL would like to have some of our local Teens help us by offering to schedule one-on-one sessions with patrons who need a little help learning the “new” stuff; like how to work that new phone they got for their birthday, or the Chromebook their grandkids gave them so they could stay in touch, or learning how to do that teleconference call with their doctor. These are the kinds of things that they need help with to keep them involved and connected to our community and to their families.

The SeniorTrust Digital Literacy Grant will help us fund this program. We will have 3 Chromebook & Hot Spot sets that will only be available to patrons 60 & up. These can be used for training or checked out to use at home for a period of 1 week, free of charge.

To make this program work WE NEED YOUR HELP! You can choose to be a part of this program in 2 different ways: **1. Volunteer with NO PAY—For Community Service Hrs. or 2. Volunteer with Pay—\$10.00 per hr. during Grant Period.** If you are interested in being one of our TEENS please fill out the information below and drop it by the library @ 220 S. Jefferson St., Shelbyville, TN or scan the QR Code and fill out the online form. **If you have questions please email Mrs. Margaret @ assistantdirector@sbcplibrary.org.**

Once you have filled out the form you will receive an email within 24 hours with more information on the program.

We have a KICKOFF Planned for Thursday afternoon, September 15, 3:00—5:00 pm. We would love to have you join us that day for refreshments and a meet and greet with some of our 60+ patrons.

Friends of the Library Council Report

Hello Friends,

Fall is such an exciting time of year to be involved with the Friends of the Library! The Annual Author's Luncheon is October 11, 2022, at noon at the Blue Ribbon Circle. We will enjoy a sack lunch as our featured speaker, David Hazelwood, takes you down roads he has traveled in his roles as consultant, farmer, minister, restaurateur, and innkeeper. David Hazelwood confesses that at the core of these endeavors is his desire to help things grow – first himself, then plants, animals, people, and organizations. His degrees in animal science, theology, and business administration came together to help things grow as innkeeper at Parish Patch Farm & Inn in Normandy, Tennessee. Hazelwood has written a variety of books including Animals Who Own Us, Lists for Ainsley, Cooking Southern – Recipes and Their History, and Monday Morning Rose. David Hazelwood's latest book, My Short Life as a Stepdad, will be released on October 11, the day of the Annual Author's Luncheon! Join us and be one of the first to get a signed copy of Hazelwood's newest book!

Table Sponsorships as well as individual tickets are still available. The Friends of the Library make monetary donations to our library to support the many ongoing efforts it takes to be a state-of-the-art facility. The Friends of the Library plan to help the library in obtaining a sign for the front of the library building which can be changed to keep the community informed about up coming events and activities. Also, the Friends of the Library have a vision of adding a patio space to the existing library building. This would add reading space with an outdoor atmosphere. There are some other activities the Friends of the Library assist with in the fall such providing candy for trunk or treat and the semi-annual book sale. We would love to have you join the Friends of the Library as we embark on the future of our library.

October is membership month and the Annual Author's Luncheon is the perfect opportunity to become a member! Join us for lunch on October 11 at noon to hear David Hazelwood share his life experiences and their influence on his writing.

ABOUT US

The Shelbyville-Bedford County Public Library serves residents in Bedford County, Tennessee. Established in 1948 by the Veteran of Foreign Wars Ladies Auxiliary, what was known as the Bedford County Memorial Library was once housed in the unused passenger waiting room of the SC&StL Railway depot. Although The American Legion Auxiliary worked to initiate a library in the 1930s, records indicate it was burned in the courthouse fire of 1934. In 1964, when the General Services Administration provided use of the former post office as a public library, the remodeled building was named in honor of dedicated supporter of The American Legion Auxiliary's original efforts to form a library, Argie Cooper. In 2014, what is now the Shelbyville-Bedford County Public Library broke ground for it's own home where it currently stands.

Today, the Shelbyville-Bedford County Public Library has become a valuable resource for residents offering a vast digital collection including audio books, e-books, DVDs, magazines, movies, and TV shows in a variety of formats. The library circulates thousands of items a year and has librarians skilled in local resources and all aspects of reading for pleasure and research. Free to the public are multiple computers and Wi-Fi available. The Children's and Teen departments feature weekly activities for all ages. The library offers local history archives, an extensive historical newspaper collection, and information helpful in researching genealogy.
