Shelbyville Wine Walk on the Square

The 12th Annual Wine Walk around the Shelbyville Square was held on Friday, December 9th to great success! After a week of rainy days, the night was pleasant & lots of folks were ready to get out and stroll the Square, enjoy the delicious wine samples, and have fun shopping at the local boutiques and shops on the beautifully decorated Shelbyville Square.

A record number of attendees participated in this year's event, as each shop sold out of 2022 Wine Glasses, featuring a sketch of the old Argie Cooper Public Library building (currently The Shops at Main & McGrew). Many shops, including Heritage Jewelers, had to pull out glasses left over from previous years to answer the demand, and even sold out of those! It was evident that the community was ready to get back into the Christmas Spirit and have a wonderful time of shopping and fun, while also supporting the Shelbyville - Bedford County Public Library. The 2022 Wine Walk raised over \$4000 to donate to the Library this year, double what it has raised in the past. The Library Board of Directors & Staff would like to thank the Community for such a generous showing of support and the Merchants for participating and always being willing to help out their local library!

We look forward to taking a more active role in the night's event in 2023, as we plan on being on the square and having some non-alcoholic offerings for our supporters!

Friends of the Library Council Report

Hello Friends,

The fall season and the holidays were full of surprises and blessings. The Friends of the Library hosted their Annual Author's Luncheon in October at the Blue Ribbon Circle. We were honored to have David Hazelwood share his talents with us. He shared how he came about to write some of his books. Mr. Hazelwood also unveiled his latest book, which was released that very day to about 300 folks who attended the luncheon. It was a very exciting event! The funds from this event will help the Library with an interchangeable sign to be placed between the road and the building in the future.

We are looking forward to 2023. The book sales in 2022 were successful and enjoyed by many. We will be planning another book sale in March 2023, so watch for more details.

We are proud to support our local library in their endeavors to serve our community. The library is so much more than a home for books and other printed material. This establishment offers many services to our community such as the use of computers for research, resumes, or communication; activities for children, youth, and senior citizens; a place to sit and read or study. The library cannot accomplish these tasks without Friends. When we think of our personal friendships, people who come to mind are those who are there to help us when needed, share similar compassions, and always doing their best to make us a better person. That is the relationship between Friends of the Library and the Shelbyville - Bedford County Public Library. The Friends of the Library support our library in many ways throughout the year. We would love to have you join Friends of the Library in 2023 to continue support in helping our library thrive! If you would like to be a part of the Friends of the Library, please contact one of the members of the Friends for more information.
